IMPROVING MOUNTAIN LIVES, PROTECTING THE MOUNTAIN ENVIRONMENT

Promote your project as part of THE **2017 UIAA MOUNTAIN PROTECTION AWARD**

During its five years of existence, the annual UIAA Mountain Protection Award has made a tangible difference to mountain lives, communities and the environment. It has enabled people to raise finances to build key infrastructures, conduct vital research and fulfil pending goals.

In parallel, it has provided an international showcase and communication platform for projects to raise awareness and exchange ideas and initiatives. Not only has it supported local communities, it has fostered its own global community.
