Why is it worth getting involved?

PZA4UA is all about real people

We are raising funds to help real people – young climbers from Ukraine.

PZA4UA is mainly juniors

Some of them are minors staying in Poland without family or relatives.

PZA4UA means medals for Ukraine

Thanks to the action, these climbers can win medals for their country.

PZA4UA is a sporting success story

Climbers from Ukraine are also National Team athletes who are successful in international competitions.

PZA4UA is hope for a better tomorrow

Thanks to the campaign, climbers can continue training despite leaving their home country and prepare for the Olympics.

PZA4UA it has to go!

We cannot leave our friends from Ukraine without the necessary help in the name of neighbourly as well as sporting solidarity.
